Why give to Safe2Tell on Colorado Gives Day?

- 100% of your donation benefits the Safe2Tell program (no credit card fees).
- Each donation received during the 24-hour period starting at 12AM December 6 will enable Safe2Tell to receive a portion of the Incentive Fund.
- Safe2Tell@ provides YOUNG people a way to report any threatening behaviors or activities endangering themselves or someone they know, in a way that keeps them safe and anonymous. Safe2Tell@ is a 501c3 not-for-profit organization based on the Colorado Prevention Initiative for School Safety with initial funding from The Colorado Trust.
- The program focuses on kids and the issues they face today. This program was based on the Columbine Commission Report's recommendation that students need a safe and anonymous way to keep lines of communication open. They realized that tragedies could be prevented if young people had a way to tell someone what they knew without fearing retaliation. The anonymity of all Safe2Tell reports is protected by C.R.S. 07-197. This means the reporting party remains UNKNOWN by Colorado state law, signed by Governor Bill Ritter on May 3, 2007.
- Now, using Safe2Tell@, they only have to make a call to make a difference. By calling 1-877-542-7233 or submitting a tip through this web-site, young people can help anyone who is in trouble or prevent a tragedy.
- Safe2Tell provides Conversation Jumpstarts to counselors and school resource officers to guide a discussion about the issues young people face today including Bullying, Cyber Bullying, Sexting, Dating Violence, Threats and Weapons, Substance Abuse, and Depression and Suicide.

Help Safe2Tell win cash prizes! Additional prizes of up to \$5,000 will be awarded to the nonprofits that generate the most support.
