## Reminder: Close Out All Open Tips in P3

As we draw closer to the end of another school year, we would like to remind all P3 recipients to ensure that your school's open Safe2Tell reports are closed out.

To close your open Safe2Tell tips:

1. Log into [p3tips.com](http://p3tips.com), using your username and password
2. Review each tip to make sure that all reports have a completed disposition narrative
3. Check-mark any outcome box(s) in the Disposition Tab
4. Select CLOSED status under the status tab on the upper drop down bar.
5. Click the SAVE button on the right to submit and save changes.

Closing out open tips in the P3 system ensures that your school and/or security team has responded to each report received for this school year.
