## News, Alerts and Announcements

### Upcoming Anniversaries

Two very important anniversaries are approaching, which have the potential to impact the number of Safe2Tell tips you may receive in the coming months.

The shooting at Marjory Stoneman Douglas High School in Parkland, Florida, took place on February 14, 2018 and the Columbine High School shooting on April 20, 1999.

Both tragedies have significant emotional impact on students across the nation and particularly here in Colorado with the 20<sup>th</sup> anniversary of Columbine.

We ask that our multidisciplinary teams prepare for an anticipated increase in Safe2Tell tips stemming from a heightened focus on school safety as well as the loss of life from these tragic events.

Should your multidisciplinary team have questions or need support from Safe2Tell, please contact 720-508-6800.

## Welcome Colorado Attorney General Phil Weiser

Safe2Tell is pleased to welcome our new leader, Colorado Attorney General Phil Weiser, who was sworn in as the State's 39th Attorney General on January 8, 2019. As the state's chief legal officer, Attorney General Weiser is committed to protecting the people of Colorado, especially our youth.

In 2014, Safe2Tell became a state funded program operated out of the Colorado Attorney General's Office. The number of Safe2Tell tips received have nearly doubled each year since making this transition, which positively reflects the daily impact this program has throughout our state. ## Helpful Information

In the fourth quarter of 2018, the Colorado Attorney General's Office released two very informative documents regarding school safety - the **Colorado School Violence Prevention: A Legal Manual** and the **Colorado School Safety Guide**.

Both documents can be found by clicking [here](#) and then scrolling down the page.
